| REPORTS | | Person in Charge |
|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| 1 | The International Advisory Board was informed about our University. | |
| 2 | Specialization in Leather, Textile & Ceramic Design Center was emphasized to IAB. The participant board members made suggestions about focusing on the strengths of the university and being the best among others. | |
| 3 | New approach in Technical education (7+1) (3+1) to develop undergraduate education process was discussed. | |
| 4 | Research & Application Centers for sustainability were introduced. | |
| 5 | 9 Program Accreditations to increase the recognition were mentioned, which gratified the Board members. | |
| 6 | The participants of the online meeting were all eager to make collaborations for undergraduate and postgraduate programs. | |
| 7 | Especially, the Professors from Comsats, Rockford and Missouri University wanted to make further meetings and deeper collaborations for Joint Diploma Programs and all Projects. | |
